Stainless Steel Flat Grate
Griddle, 0.25" Plate
Thermometer
Tailgater's Hitch Receiver
Spare Caster

Usage Recommendations: Use approximately 10–15 lbs. of charcoal to cook 15 lbs. of chicken. If you wish to cook a second rack, add approximately 5–8 lbs. Use the easy-flip sandwich grates for cooking chicken, or raise the pan to cook any grill foods.

Stainless Steel: Meadow Creek Welding uses only food grade T-304 stainless steel for parts listed as stainless steel, including grates, racks, shelving, work surfaces, and units made primarily of stainless steel.
