Usage Recommendations: Use approximately 25–30 lbs. of charcoal in the fire box to get started. Once the meat is placed in the smoker, you can add either wood or charcoal as needed to maintain the correct temperature. For grilling, remove the bottom grate from the smoker and slide in the optional charcoal grill pan.

Meadow Creek Welding uses only food grade #304 stainless steel in the fabrication of parts identified as "stainless steel" that will contact food under normal use. Cooking equipment made by Meadow Creek Welding is used by restaurants, caterers, and other food professionals nationwide.
